

# Privacy Policy for Hex of Steel

Last updated: November 17, 2025

War Frogs Studio (“we”, “our”, “us”) values your privacy. This Privacy Policy explains how we handle your information when you use our game, Hex of Steel (“the Game”).

## 1. Information We Collect

By default, Hex of Steel does not collect, store, or transmit any personal data. The Game only stores files locally on your device that are necessary for gameplay, such as save files and player settings.

If you choose to create a multiplayer account, we collect minimal personal information required for that functionality:

- Username
- Email address

No phone numbers, physical addresses, or other personal details are collected.

## 2. How We Use Your Information

The collected information (username and email address) is used exclusively to enable online multiplayer functionality. This may include identifying users, managing player accounts, and synchronizing multiplayer data.

## 3. Data Storage and Security

All personal data related to multiplayer accounts is stored securely on our servers. We take appropriate measures to protect your data from unauthorized access, disclosure, alteration, or destruction.

## 4. Data Deletion

You may delete your multiplayer account at any time. When you delete your account, all associated personal data (username and email address) will be permanently removed from our servers.

## 5. Third-Party Services

Hex of Steel does not share your information with third parties. We do not use third-party analytics, advertising, or tracking services.

## 6. Children’s Privacy

Our Game is not directed toward children under 13. We do not knowingly collect personal information from children.

## 7. Changes to This Policy

We may update this Privacy Policy from time to time. Any changes will be posted within the Game or on our website. We encourage you to review this Policy periodically.

## 8. Contact Us
